

About the Gottfried Arboretum

Located on the grounds of UW Fond du Lac, the Gottfried Arboretum is composed of a 40-acre prairie restoration and 3-acre formal arboretum with native trees and shrubs. Most of the wildflower seeds for the prairie restoration were collected from some of the last remaining original prairie sites in Fond du Lac County. To educate local residents, there's an interpretive trail, as well as six benches, two picnic tables and a kiosk for recreation. The Gottfried Prairie and Arboretum is a wonderful place to relax and enjoy nature. The Arboretum is open year-round, free of charge.

There will be a new 5K run/walk route through the Gottfried Arboretum. A detailed map will be available on the day of the event.
